Your Investor status is used by us to understand the types of asset you wish to invest in. You should let us know whether you wish to hold Retail or Non-Retail assets. If you do not tell us we will assume you are a Retail Investor and wish to hold retail assets only.

To assist with customer classification, Friends Provident International Limited's definitions of a Retail and Non-Retail investor can be found below:

 - e) A trustee of a family trust settled by, or for the benefit of, one or more persons referred to in paragraphs (c) or (d);
 - f) A trustee or operator of any employment benefit or executive incentive scheme or trust established for the benefit of persons referred to in paragraphs (c) or (d) or their dependents;

Retail Non-Retail

If you have ticked the box above to indicate you are a Non-Retail Investor, and you have chosen to invest in what FPI considers to be Non-Retail assets, there may be a requirement for you to complete and sign an additional – asset specific – declaration(s). If this is required, the relevant declaration(s) will be provided by our Technical Investments Team at the time the trade is placed.

Friends Provident International has adopted a risk-based approach to meet these regulations, categorising our products and countries that we will accept business from into Standard or Higher risk. We have categorised countries according to their level of compliance with international regulatory standards.

Important notes

- 1 A copy of this application form and the documents submitted with your application will be provided to you with your policy documents. These are important and valuable documents and it is likely that you will need to refer to them in future. You are advised to keep them together with the policy documents and any further correspondence relating to your policy in a safe place.
- 2 You should seek guidance from your UAE licensed financial adviser as to the suitability of the policy to your own particular circumstances. Reserve+ should be regarded as a medium to long-term investment (five years or more).
- 3 Insurance is a contract of utmost good faith and you are to disclose in this application form, fully and faithfully, all facts which you know or ought reasonably to know. **If a material fact is not disclosed in this application, or you misrepresent any material fact, any policy issued may be void and all or part of any claim may not be paid.** A fact or circumstance is “material” if it would influence the judgement of a prudent insurer in determining the premium or determining whether the insurer will accept your application and, if so, the terms upon which it is accepted. If you are in doubt as to whether a fact is material, you are advised to disclose it. Please check to ensure that you are fully satisfied with the information declared in this application. By signing this application form, you confirm that the information which has been entered in this application is complete and accurate and that such information was entered by you or by a third party with your knowledge and approval.
- 4 Each policy is governed by and shall be construed in accordance with the laws of the United Arab Emirates.
- 5 Once your application has been processed, you will receive a copy of your policy conditions, along with your personal policy schedule(s). Please ensure you read this document in full during the ‘cooling off’ period (see Cancellation Rights in Section 1 on page 14 for more details) and that you retain any documents and/or correspondence received from us.

Important : Please be aware that the policy conditions sent with your policy schedule(s) will be the ones that apply to your policies; therefore, these documents should be kept safe.

6 Investment acknowledgement

Reserve+ gives you an investment choice from a very wide-ranging menu of investments. Some of the funds which are available to you are considered by FPI to be Non-Retail funds aimed at Non-Retail investors.

If you were investing in such a fund directly yourself, rather than through your Reserve+ policy, you may have to declare that:

- You have read and understood the information supplied to you and understand the nature of any risks involved.
- You have discussed with your independent UAE licensed financial adviser whether such an asset is appropriate for your investment portfolio.
- You are eligible and able to invest into the fund and have the level of investment knowledge and experience required by the fund manager.
- You meet certain minimum financial requirements.

Please note that different jurisdictions may impose different criteria on the generally accepted definition of a Non-Retail investor. Full definitions, restrictions and investor requirements can be found in each fund's prospectus/terms and conditions, which are available from the fund manager or your UAE licensed financial adviser. We require that you obtain, read and fully understand a copy of the prospectus/terms and conditions for your chosen investment(s) and have received specialist advice relating to the suitability of Reserve+ and the investment choices detailed within this form.

7. Liquidity information

Some funds may have restrictions on their ability to pay redemptions due to the type of underlying investments they hold. This could limit your ability to raise cash from the fund in the future. Investment into Non-Retail funds should be considered a medium-to-long-term investment. You, in conjunction with your UAE licensed financial adviser, should consider whether Reserve+ is a suitable investment vehicle if it is likely that you will need access to your capital quickly in the future.

Section 1: Setting up Reserve+ (continued)

Such facts are those which an insurer would regard as likely to influence the assessment and acceptance of a proposal. If you are in doubt as to the relevance of any particular information you should disclose it, as failure to do so could result in you being quoted the wrong terms, a claim being rejected or reduced, or the Reserve+ policy being invalid.
