Section 3: Declarations

- 1 A specimen policy document and/or copy of this completed form are available on request.
- 2 You are advised to satisfy yourself that, under any taxation, exchange control or insurance legislation to which you may be subject, you are permitted to effect the policy.
- 3 You should seek guidance from your financial adviser as to the suitability of the policy to your own particular circumstances. Premier Advance should be regarded as a medium to long-term investment.
- 4 Each policy is governed by and shall be construed in accordance with the laws of the Isle of Man.
- 5 Underlying fund prospectuses are available from us on request.
- 6 A politically exposed person is a person appointed by a foreign government or an international organisation to a high profile position, who has held that position within the last 2 years. It is also a family member or a close business associate of such a person. This includes: heads of state; Government ministers; senior government officials; senior judges or military officers; senior executives of publicly owned companies; important political representatives, such as an ambassador. This applies to the applicant, policyholder, life assured, premium payer, beneficiary and any other party connected to the application.
- 7 **Specialist fund acknowledgement**

We offer products that provide access to a wide range of funds, known as mirror funds, that invest in all the major asset classes and geographic regions of the world. Some of these mirror funds invest into funds which are classed as specialist funds, aimed at professional or experienced investors.

If you were to invest into such a fund directly, as a separate venture not linked to this application, instead of using one of our mirror funds, you may have to declare that:

 - You have read and understood the information supplied to you and understand the nature of any risks involved.
 - You have discussed with your financial adviser whether such an asset is appropriate to your investment portfolio.
 - You are eligible and able to invest into the fund and have the level of investment knowledge and experience required by the fund manager.
 - You meet certain minimum financial requirements.

Ordinarily some of these funds could only be held by professional/experienced investors rather than retail investors. Also, information relating to such investments may not be available for distribution in certain jurisdictions. However, when the investment is made through your policy, we are treated as the professional or experienced investor and this enables policyholders that may not have been able to do so, to access these funds.

Please note that different jurisdictions may impose different criteria on the generally accepted definition of a professional/experienced investor. Full definitions, restrictions and investor requirements can be found in each fund's prospectus/terms and conditions, which is available from the fund manager or your financial adviser. We recommend that you obtain, read and fully understand a copy of the prospectus/terms and conditions for your chosen investment.
- 8 **Liquidity information**

Some of our mirror funds may have restrictions on their ability to pay redemptions due to the type of underlying investments they hold. This could limit your ability to raise cash from the fund in the future.

Investing in funds should be considered a long-term investment. You, in conjunction with your financial adviser, should consider the amount you invest via your policy if it is likely that you will need access to your capital quickly in the future.

Declarations

Attention is drawn to the following declarations. If the application form requests information which we need to assess before acceptance, then you must disclose all facts which are material. Such facts are those which a financial institution would regard as likely to influence the assessment and acceptance of an application. If you are in doubt as to the relevance of any particular information you should disclose it, as failure to do so could result in you being provided with the wrong terms, a request being rejected or reduced, or the policy being invalid.

1 Fund acknowledgement

- a) We understand that we may choose the investments to which our policy is to be linked.
- b) We acknowledge that it is our responsibility to ensure that the asset is suitable, considering our investment objectives and attitude to risk.
- c) We confirm that we understand certain funds may have restrictions on their ability to raise cash in the future, and that further details are included in the prospectus or terms and conditions for the respective underlying fund. We understand the risks associated with investing in these funds.
- d) If we choose to invest into mirror funds which in turn invest into specialist funds aimed at professional investors, we acknowledge that it is our responsibility to obtain, read and understand the underlying fund's prospectus.
- e) We acknowledge that Friends Provident International Limited (Friends Provident International) is not responsible for the investment performance or any loss suffered or reduction in the value of our policy, arising from our chosen investment. Friends Provident International does not have any responsibility for the management of the assets within our policy and Friends Provident International does not approve any asset as a suitable investment.
- f) We acknowledge that the purchase of our investments may be delayed if Friends Provident International requires a signed declaration in respect of our chosen investments.
- g) We acknowledge that specific investor protection and compensation schemes that may exist in relation to collective investments and deposit accounts are unlikely to apply in the event of failure of such an investment held within insurance contracts.

Important notes

- 1 Please note that some credit cards cannot be used outside their country of issue and therefore we strongly recommend that you contact your card issuer to ensure your card can be used in this instance.
 - 2 When your current credit card expires or is replaced, we will require you to complete a new 'Direct charge authority' form. Alternatively, you can update your credit card details online on our website.
 - 3 When your credit card payment is first set-up certain checks will be administered, including a pre-authorisation check. A nominal amount may show on your account, but the pre-authorisation is not a charge and no money will be deducted from your account.
- Where premiums are paid by credit card there will be a handling charge of between 1% and 1.95% (depending on residency) of each premium paid. The handling charge will be collected in addition to the total premium amount meaning we will collect the total premium amount plus the handling charge from your credit card. The handling charge will be used to cover the charges imposed by the credit card issuing company.
 - The premium collection date is on average six days prior to the due date on the policy. This may vary slightly to take into account seasonal and bank holidays.
 - If you amend your premium, a new 'Direct charge authority' form will need to be completed and returned to us.
 - If a payment is declined, we will automatically inform your financial adviser by fax and request a duplicate payment the following month. This will apply to consecutive months if the policy remains in arrears. No more than two premiums should be collected each month until the premiums are up to date.
 - Please note that debit cards cannot be accepted for premium payments.
 - Please note we cannot accept this form via email.

Verification of identity and address

We have a legal obligation to verify the identity and residential address of each person who will apply for one of our products. We also have a regulatory obligation to obtain details of how the applicant(s) have acquired the monies/assets that they will invest with us. There are good reasons for doing this. Criminals and terrorists often try to launder money by using false or stolen identities in order to open accounts or place investments with financial institutions such as Friends Provident International. By providing the information and documents requested, you are not only helping us to comply with stringent money laundering legislation, but you are helping to protect your own identity.

Step 1

Verify the identity of the trust

The required documents to verify identity are:

- Copy of 'Appointment of trustees' document (usually the trust deed or declaration).
- Verification of identity for each trustee (please refer to **Step 2**).
- Verification of address for each trustee (please refer to **Step 3**).

These documents must be certified (please refer to **Step 4**).

For corporate trustees, please refer to the checklist on page 2 for the additional documentation required.

Step 2

Verify the identity of each trustee

The required documents to verify identity are:

- A passport; or
- A government-issued identity card (carrying a photograph of the individual).

Where it is not possible to obtain either a passport or a national identity card, two other formal government-issued documents carrying appropriate personal details, which show verifiable reference numbers, may be accepted. Examples would include:

- A driving licence with photograph.
- An annual tax assessment issued by the tax authorities.
- A government-issued document containing a unique reference number which is specific to each trustee.

These documents must be certified (please refer to **Step 4**).

Step 3

Verify the address of each trustee

We will also require an original or certified copy of a document, to verify each applicant's residential address (please refer to **Step 4**). A list of the documents that are acceptable for this purpose is provided below.

The document must be issued in the name of the applicant and show the residential address that appears on the application form. In all cases the documents seen should be the most recent available, and no older than three months, unless the document used to verify address is only issued on an annual basis.

- Utility bill, (water, gas, electricity, landline telephone connection) rates invoice, council tax notification
Please note, mobile telephone bills, cable TV bills and internet service provider's bills are not acceptable as evidence of address.
- Current driving licence with photograph
- Tax assessment document
- Extract from the official Registrar of Electors
- Bank account statement
Please note, statements of credit cards and non-bank cards, such as store cards, are not acceptable
- State Pension, benefit or other government-produced document showing benefit entitlements
- A letter from the trustee's employer, confirming their residential address and position within the company. Where the trustee has accompanied a partner or spouse on a work assignment or contract, and they are also a trustee, a employer may confirm the address of a non-employee where a relationship is detailed. If the trustee (or spouse) is the owner/part owner of the company, a letter from the company will not be accepted.
- Proof of ownership or rental of the residential address
- Mortgage statement.

These documents must be certified (please refer to **Step 4**).

Step 4

Authentication of documents by a suitable certifier (for each applicant)

Background

Incorrect certification of documents is one of the main reasons for delays in processing applications. The Isle of Man Insurance and Pensions Authority, our principal regulator, is very specific about how documents are to be certified, and who can perform this function.

Certification of copy documents

The certifier must state on the document:

'I certify that this is a complete and accurate copy of the original documentation that I have seen'

Signed: (the signature of the certifier)

Name: (the printed name of the certifier)

Position or capacity: (the position or capacity of the certifier)

Date: (the date of certification)

Improper certification could lead to delays.

If the document is more than one page the certifier can either:

- Certify each page individually or,
- Certify the top page and add a statement detailing the number of pages of the original documentation seen.

Who can certify a copy of an original document?

The adviser you have appointed, who has recommended this product to you.

A notary public, licenced lawyer or solicitor.

A notary public is a public officer appointed under authority of state law with power to administer oaths, certify affidavits, take acknowledgements and take depositions or testimony.

An authorised representative of an embassy or consulate of the country that issued the identification documents.

Translation of documents not written in English

Where a document submitted for address verification is not written in English, we require the certifier to explain on the document:

- What the document is
- Indicate where the applicant's name and address is printed
- The certifier should translate the relevant part(s) into English
- The certifier should also write a statement onto the document to the effect that:

Background

Isle of Man authorised life companies are required by the Insurance and Pensions Authority to make enquiries as to how a client applying for one of our products has acquired the monies that will be invested as insurance premiums. This Source of wealth information is an integral part of the overall 'Know Your Client' (KYC) requirements that we must perform. It is also a legal, as well as a regulatory requirement, to perform a risk-based assessment of the applicant and conduct enhanced due diligence where higher risk circumstances are identified. This means that in certain circumstances independent evidence will be required to support the explanation of the client's source of wealth.

Information to be provided

On pages 18, 19 and 20 of this application form, you should clearly explain how you have acquired the wealth that you will use to pay contributions.

Supporting documentation to evidence Source of wealth

Friends Provident International uses both the premium size and your residential location to identify when applications require documentary evidence. Evidence will be required where the premium is on or above the limits.

Premium levels and country risk ratings are subject to alteration and for that reason you will need to refer to the premium limits table published on the company's website. It is available in PDF format on our website.

You will need to combine the premium levels indicated in the premium limits table with the risk rating of your country of residence (or country where wealth is generated), to determine whether evidential support should be submitted with this application. We need documentary evidence each time a premium moves the total cumulative premium on, or higher, than the premium limits allocated to the particular country risk. Your financial adviser, who has recommended this product to you, will be able to help and advise you with this.

Important note to the introducing intermediary: ALL COPIES of original documentation must be properly certified by you, the introducing intermediary, in the same manner as you would certify client identity documentation and residential address proof.

Trust applications

Where the payment is made by the trustees, the same source of wealth information as above should be provided for the settlor and settled monies.

Product information

The information given in this document is based on Friends Provident International's understanding of current laws and Isle of Man taxation practice which may change in the future. No liability can be accepted for any personal tax consequences of this scheme or for the effect of future tax changes or legislative changes. We do not condone tax evasion and our products and services may not be used for evading your tax liabilities.

A copy of the Premier Advance policy document and provisions may be obtained from us on request.

Insurance policies may not be suitable for everyone. Investment involves risk and each class of investment will involve its own individual level of risk. We recommend that you read the Premier Advance product brochure, product guide and policy conditions carefully and discuss fully both the suitability of Premier Advance and the specific risks associated with individual investments with your financial adviser before making any investment decisions.

Premier Advance is intended for medium to long-term investment and is not therefore designed for early surrender. If you do surrender your policy early, a surrender charge may be applied. The earlier you terminate your policy, the more you may lose.

Mirror funds

All mirror fund performance is quoted net of annual charges. However, mirror fund performance should not be viewed as an indication of future performance – the value of your investment cannot be guaranteed and you may get back less than you paid in.

Mirror fund prices may go up and down depending upon the underlying investment performance or, where investments held within a mirror fund are not denominated in the currency of that mirror fund, simply because of movements in currency exchange rates.

Policyholder protection

To ensure the protection of policyholders' interests, the Isle of Man Insurance and Pensions Authority has put in place a number of statutory measures:

- **Ring-fencing of assets** – the Insurance Act 2008 requires insurers to keep premiums received in a special 'long-term business fund', which can only be used to meet the claims and long-term liabilities of policyholders. It also requires the insurer to hold funds in excess of its long-term liabilities, and submit independently audited annual solvency reports to the regulator.
- **A policyholder compensation fund** – in the event that the above measures fail, and we are unable to meet our liabilities, all policyholders will benefit from the protection of the Life Assurance (Compensation of Policyholders) Regulations 1991 of the Isle of Man, wherever their place of residence. The regulations ensure that in the unlikely event that we become insolvent, a levy would be made against all other Isle of Man resident life assurance companies so that up to 90% of our liabilities to eligible policyholders would be met (without any upper monetary limit).

Investors should be aware that specific investor protection and compensation schemes that may exist in relation to collective investments and deposits accounts are unlikely to apply in the event of failure of such an investment held within insurance contracts.

In the event that you have a complaint that we are unable to settle, your complaint can be referred to the Financial Services Ombudsman Scheme (FSOS) for the Isle of Man. You can contact the FSOS at Government Buildings, Lord Street, Douglas, Isle of Man IM1 1LE.

Each policy is governed by and shall be construed in accordance with the laws of the Isle of Man.
