

Business Financial Underwriting Questionnaire

Help us to assess your application by providing all the financial evidence required to support applications for large sums assured by Friends Provident International Limited (Friends Provident International). This evidence allows our underwriters to evaluate whether the type and amount of cover that has been requested is appropriate and adequate for your needs.

Please provide us with as much information as possible at the proposal stage. This will allow us to process your application as soon as possible and will help to avoid delay. We will treat your replies in the strictest confidence and will form part of your application for insurance.

Please answer the questions by giving us all the information we ask for. All the questions we ask are relevant and important and so please take reasonable care to answer as accurately and completely as possible and to the best of your knowledge. Please understand and accept that if they are not, we may have the legal right to cancel any policy issued and we may invalidate a claim.

Please understand that these are Friends Provident International's minimum requirements and we reserve the right to ask for additional information if deemed necessary.

We need to know where the policy is to be owned by a business, so please ensure the questionnaire is completed and signed by an authorised official of the business, other than the life to be assured (e.g. a director or the company secretary).

We do not condone tax evasion and our products and services may not be used for evading your tax liabilities.

If you would like full details of the terms and conditions of all Friends Provident International's policies, you can request them from a Friends Provident International office, or from your financial adviser.
